TO WHOM IT MAY CONCERN

LETTER OF REFERENCE to POWERENT LTD

I am writing in my capacity of the representative of the Company Deep Heavy Constructions – Republic of Turkey to support the company POWERENT Ltd as our subcontractor in the Project MONDI STAMBOLIJSKI - KRAFT PAPER . The company met our expectations in mounting and welding of the isometric pipe lines with quality and professional work during the completion of the Project.

During our cooperation POWERENT Ltd. proved to be loyal and correct partner, fulfilling our requirements for exact and qualitative performance of all activities concerning the woks, keeping all safety and quality regulations of the Project. The company has highly qualified staff which takes quick and competet technical solutions. The company did not commit any breaches in our work together.

Referring to all written above, the company Deep Heavy Constructions highly recommends the company POWERENT Ltd. as an accurate, loyal and trustworthy partner for cooperation and working together!

Yours Faithfully
